

# WORLD MISSIONS FOR CHRIST

“Proclaiming Christ to the Nations”

SPRING 2010

## Dear Friends,

It is such pleasure for Sherry and me to minister for the Lord Jesus Christ. We both have had such a godly heritage. As you well know James and Ann Dunn loved God and loved the work of God.

Now both the second and third generation of Dunns are ministering across America and around the world.

Sherry has been very active in helping women caught in trafficking and some who have lost

everything because of the terrible civil wars that rage across the world. Below is one of those stories. God bless you.

## Esther and Family: Victims of War

Sherry left me parked on a dark side street and entered a refugee shelter. Because of the high crime rate in the area a security guard admitted her.

Once inside, she gave a bag with medicinal items for Zulette a girl who had been in prostitution for more than 10 years. Next door in the hall way Sherry found Esther. She

and her family had lost everything due to the civil war in her home country of the Congo. (3 million people have died in this war over the past several years). Sherry contacted one of our ministry affiliates: “Breaking Chains Ministry” and with the help of the social services an apartment was found.

Furniture, clothes and food was provided for this precious family. Today they are attending church and are thankful for the help they have received.

**Thank you for your prayer and financial support. We love you and pray for you.**
