

## WORLD MISSIONS FOR CHRIST

“Proclaiming Christ to the Nations”

August 2010

Dear Friends,

As we looked over the financial commitments that WMC has made this past quarter we can see that our greatest contribution has been in people who are serving the Lord.

Jeremy Wyckoff, a young man in his early thirties has taught young student pastors the word of God. In a country that is 99% Muslim. Or

the Neurosurgeon, Eduardo Herrera from Peru who uses his healing skills on the Amazon River in South America or in trouble spots like, Beirut, Lebanon.

Then there are young men who needed a computer to prepare materials for the ministry and for the web design and signage on Christian Websites. Or the refugee families who now are participating in the life of a local church. Jesus says, “Where your heart

is, there will be your treasures.”

Where are we laying up treasures? The best investment that gives an eternal dividend is in PEOPLE.

For when we invest in people we invest in eternity. And there “rust and moth” cannot destroy our investment.

Thank you for investing in those Christ has redeemed.

Many blessings,  
Richard and
