A Word For You...

'Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world. 35 For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, 36 I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.'

Matthew 25:34-36

Dear World Missions for Christ Friends:

Each new year comes with the unexpected. For 200 years no one thought about the geological fault that exists beneath Port-Au-Prince Haiti. A city of almost 4 million people.

All of that changed this week as horrific photos are projected on the screens of our televisions and computer monitors. Words like, "unbeliever, terrible, devastating!"

God calls us as Christians to do something tangible to help.

WOULD YOU SIT DOWN NOW AND GIVE TO HELP THE HURTING.

We have people on the ground, but they need resources.

***Money designated for Haiti Relief can be given at the WMC address above.**

Dear Dad,
I wanted to say thank you to World Missions For Christ and to you and Uncle Phil for all your faithful prayer and generous financial support. God allowed our team of eleven to influence and impact Haiti for His glory. Our team departed Dec 29, 2009 and was in Haiti for eight days. We missed the devastating earthquake by six days. We worked with a great group of people from Life Connection Mission.

They run a couple of schools in a town of Montrious about 70 miles northwest of Port au Prince, Haiti. As a team we were able to paint a 2 story school with multiple classrooms that provides a facility for over 450 students ranging in age from preschool to high school. The literacy rate in Haiti is around 40%. With your help we provided all the paint and painting supplies, hired 4 Haitian painters and other support staff. The pictures

speaking for themselves. In our time there we also provided food to a several orphan-ages. Haiti has 70% of its population that does not know where their next meal is coming from. The kids were so precious and so appreciative. Jesus said "let the little children come unto me". Multiple opportunities were made available to share the love of Christ on the streets, in churches, and in casual conversation.

Make disciples. May we always be those persons that are "Called 2 Love" as God has loved us!

From our team to World Missions for Christ we say a heartfelt "THANK YOU".

Liv'n It,

Rich Dunn III and team

The school that was painted and refurbished. More than 400 students attend this school. It was not demolished during the earthquake.
