

WORLD MISSIONS FOR CHRIST

"Proclaiming Christ to the Nations"

OCTOBER 2011

*Your Heart for Missions Keeps us
Going!*

How wonderful to receive a touching email from the Ken Harrell Family working in the flood stricken country of Honduras, Central America. Ken was deeply touched by Dad's ministry as a young man and today is serving this poor and needy land. In a recent news letter he states: "We are pleased to report that yesterday we were able to send over 2,375 lb of rice, many bags of clothes, boxes of shoes and over 4,000 Gospel literature booklets down to Choluteca and the surrounding area. A very generous offering of \$2,500 was also given and is helping to purchase food, mattresses, hygiene items etc. Thanks to our network of generous partners!!!

Convoy of Hope, Jesus is Real, Abundance Ministries, World Missionary Press and all who partner with our ministry.

For more about the Harrell Family you can go to their website: <http://www.harrellfamilymissions.com/>

Pray for the missionaries and workers who are making a big difference in this broken world. God bless.
