

WORLD MISSIONS FOR CHRIST

“Proclaiming Christ to the Nations”

SUMMER 2010

Dear Friends,

In the last week, I was on the phone with our son, Richard III. He was telling me that his 24 hour Christian Radio Station WLCQ is now reaching more than 32 countries via the internet.

People from around the world have listened to more than 15,000 hours of gospel music, testimonies and a challenge to open their hearts to Christ.

From as far away as Japan people are listening.

This month World Missions for Christ is sponsoring this outreach

ministry. Your monthly support is making a difference around the world. Thank you for helping WMC.

“Proclaiming Christ to the Nations”.

STRONG TOWER MINISTRIES NEEDS HELP!

Promise, a Nigerian Pastor and his family are living and working among the girls caught in human trafficking. He is in desperate need of help to pay on the mortgage for an outreach center in the port city of Antwerp, Belgium (the 5th largest seaport in the world).

This center includes a church, several apartments for the girls coming out of trafficking, and workshops where they can learn work skills that will help them become financially independent.
